## PROTECT YOUR VACATION INVESTMENT PRINCESS® VACATION PROTECTION♦

You never know what might put your vacation investment at risk. The last thing you want to think about is what would happen if you became ill or injured while away from home. Fortunately, Princess® Vacation Protection can protect you from unforeseeable losses stemming from an array of circumstances and even allows you to cancel your vacation for any reason at all.

This program, like many travel protection programs, will refund 100% of your otherwise nonrefundable cancellation fees in the event of an emergency. Yet, unlike similar programs, Princess Vacation Protection allows you to cancel your vacation no matter what the reason. Even if the reason for your cancellation does not qualify you for a full refund under the plan, you will still receive 75% of the nonrefundable fees in the form of a credit toward your next Princess vacation. That's a service unique to Princess Vacation Protection.
