#### cabinets with your paint and stain choices, or by opting for distressed wood," Mason says. For a luxurious look and feel, add cabinet pulls in a gold or chrome finish.

Shaker-style kitchen cabinets start at \$1,200 to \$1,500 for a standard 10-ft. x 10ft. kitchen. **DIY Shaker Cabinets Doors** If you've got a table saw you can make shaker style cabinet doors.

DIVICUALED CAPINETS

Shaker style's simple lines and flat-panel doors make the cabinets simple to

clean and personalize to your style. "You can add your own style to Shaker

Craftsman (Mission) Kitchen Cabinet

If you're seeking a warm, organic ambiance, look no further than the rugged

beauty of Craftsman-style kitchen cabinets. Craftsman is often made from

medium-colored wood such as quarter-sawn oak, with tongue-and-groove

joinery. It's a slight variance on the Shaker style, featuring three vertical stiles

"Think Shaker, but add a vertical stile in the center of the door," says Jay-K

Reczenski says Mission will sometimes include more detail, with dentil

## Wood Joint School doesn't recommend Mission or Craftsman cabinets for ornate-style homes. "With the simplistic design of the Craftsman or Mission cabinet style, they would be out of place in a Victorian house," Hogan says. Craftsman-style kitchen cabinets cost \$10,000 to \$14,000 for a standard

Flat-Front (Slab) Kitchen Cabinet Style

design of the flat-front style cabinet fits with many décor styles, such as mid-

century modern, Scandinavian, industrial, eclectic and modern farmhouse.

Designer, Muretti. "You can keep flat-front cabinets forever without running

the risk of them going out of style," he says. Tired of the color? With no door

For an industrial look, pair flat-front cabinets with a concrete countertop or

dress them up with a colorful backsplash (these are the best tile options for

**Beadboard Kitchen Cabinet Style** 

Popular in the mid-20th century in RVs and campers, today the beadboard

kitchen cabinet style is making a comeback in vintage, retro and rustic

Beadboard cabinet doors feature vertical panels with uniform beads and

high-end metallic finishes with hardware and customization.

recessed lines. "One downside to beadboard cabinets is maintenance, because dirt and grease get trapped in the crevices," Mason says. But, he adds, these cabinets make an easy DIY project since they don't contain any complicated joints. If you're tired of Shaker cabinets and want a style with detail and texture, beadboard cabinets are a good alternative. Beadboard cabinets cost between
